## Texas Society for Clinical Social Work . . . Colleagues Connecting

Texas Society for Clinical Social Work addresses needs and concerns of our profession. Members possess graduate clinical social work training and work in public and private settings. Our membership is representative of a spectrum of theoretical understanding, methodologies, and psychotherapeutic interventions. Local study groups offer a forum for professional growth, mentoring, and networking. TSCSW maintains strong state and national lobbying representation giving voice to our issues and concerns.

**There is no better venue for connecting with peers and colleagues from around the state!**
